Entering of Administrative Orders in the Register of the Circuit Court

An administrative order under ORS 416.400 to 416.470 must be entered in accordance with the requirements of this rule:

- (1) If the administrative order establishes support or paternity and the child is not residing in a state financed or supported residence, shelter or other facility or institution (see ORS 416.417), the order must be entered in the circuit court in the county in which the child, or either parent of the child, resides.
- (2) If the administrative order establishes support or paternity and the child is residing in a state financed or supported residence, shelter or other facility or institution (see ORS 416.417) or resides out of state, the order must be entered in the circuit court in the county in which the obligor resides.
- (3) If the administrative order is one that modifies an underlying support order or if there is any previous Oregon order entered in circuit court, the order must be entered in the circuit court in the same county as the underlying support order.
- (4) If there is a judicial proceeding pending at the time of finalizing an administrative order establishing support or paternity, the administrative order must be entered in the circuit court in the same county as the pending judicial proceeding and must be entered under the pending court case number.
- (5) Notwithstanding any other provision of this rule, nothing in this rule precludes filing liens in other Oregon counties pursuant to ORS 18.320 or transferring judgments pursuant to ORS 25.100 or 107.449.
