Chillin' with Your Children

Studies have shown that parental involvement affects children in the following ways:

- ◆ Better grades in school
- ◆ Higher cognitive and language skills
- ◆ Greater learning and better performance in school
- ◆ Higher educational attainment
- ◆ Higher IQ's
- ◆ Less delinquent behavior
- ◆ Decreased use of drugs and alcohol
- ◆ Well adjusted, happier kids
- ◆ More success in their work

“ Our kids deserve all the support we can give them to help handle their full lives now, giving them the best chance for future success in life. ”
